These suggestions were examined and a notification carrying out necessary amendments in the Employees' Pension Scheme, 1995 was issued on 28.2.1996. Consequent to first annual valuation of the Pension Fund an increase of 4% on pension in payment was sanctioned to the beneficiaries w.e.f. 16.11.1996. On completion of second annual valuation of the Pension Fund as on 31.3.1998, an additional increase of 5.5% on pension in payment has been sanctioned to the pensioners w.e.f. 1.4.1998. However, the recommendation of the Central Board of Trustees for enhancement of interest on the pension fund kept in public account from 8.5% to 12% per annum has not been found acceptable by the Government due to financial constraints.
